The Ultimate Experience

2011 Uniform Packages

VC Product News

- All Sublimated orders made with FlexLight LITE – a new, improved sublimation material with enhanced moisture wicking and antibacterial properties. FlexLight LITE is over 20% lighter than our 2010 sublimation material
- The Front Panel Sublimated Jersey! An affordable way to unleash your teams creativity

VC Service News & Commitments

- Improved Ultimate Experience-supported information dissemination and customer service
- Simplified uniform packages and guaranteed delivery timelines
- Personalized order deadline reminders based on your team's specific delivery requirements

Timeline Tips

- Depending on your design requirements, the creative process can take from 2 days to 2 weeks - often is it based on how many revisions of the proposed concept(s) you want. Factor this period in your timeline
- Guaranteed times start once orders are 100% submitted, confirmed and paid in full. Changes are not permitted once orders are confirmed, so encourage your players to submit their info at tryouts
